Final Exam Info

Logistics

- The formula
 - Homework = $0.25 * \text{assn} + 0.25 * \text{labs} + 0.5 * \text{proj}$
 - Mark = $mark = \begin{cases} \frac{2 * \text{homework} * \text{exam}}{\text{homework} + \text{exam}} & \text{if } \text{exam} \geq 40 \\ \text{FL} & \text{otherwise} \end{cases}$
- The final exam mark is important and you must achieve at least 40!
- Supplementary exam is only for those who cannot attend final exam.
